

Westchester Academy Baseball

My name is Edwin Diaz Jr., I am the President of the Westchester Academy Baseball Program, which I started two summers ago with the help of some phenomenal coaches. In the 2011 summer season, our 18U team finished with a record of 36 - 4 and won all 4 tournaments they entered. This past summer they had another solid record of 32 – 15, winning 2 out of the 4 tournaments.

In year two, the Westchester Academy program grew in size and added a 16U team. This 16U team posted a phenomenal record of 25 wins and 15 losses, finishing in first place in the Med-Sandlot League. The Med- Sandlot league is a very competitive league with the very best tournament teams ranging from Connecticut all the way to Brooklyn NY.

This upcoming 2013 summer baseball season, the Westchester Academy Baseball Program will continue to grow in size. Our program will be partnering with the Harrison Recreation Department and adding the 13U and 14U Harrison recreation team under the Westchester Academy umbrella. In addition, the 16U and 18U players from Harrison are always welcome to try out for the Westchester Academy Tournament teams. We are all excited about this opportunity and we look forward to working with the community and most importantly the baseball players of Harrison.

As we prepare for the 2013 summer season, we are hopeful that this opportunity will be of great benefit to the parents and players of Harrison. Throughout the summer, players will have the opportunity to develop their baseball skills by attending practices and games, and through their commitment to the program expectations. We are a highly driven and committed group of coaches who are committed to developing all of the players in our program.

The Westchester Academy Baseball Program will continue to follow its vision of providing a competitive program that will attract the best baseball players in Westchester County. As a travel team baseball program comprised of talented and dedicated coaches, players, and parents we will continue to strive towards the successful development of our program and every individual participating in it. Our program, while placing significant value on education, character development, and athletic excellence, is also highly committed to the physical, intellectual and emotional well-being of every student-athlete who wears the WESTCHESTER ACADEMY logo.

Sincerely

Edwin Diaz
